KOLLEL M'AHARAM M'ROTENBERG

Educational Study Program for the Incarcerated, A Project of Dror

January 14, 2016

Dear Joseph Shereshevsky,

It is with the highest regard for your exemplary work that we address this letter to you. We commend you for your diligence and hard work throughout your studies on both, the laws of Yom Tov, and Talmud Mesechtes Avoda Zora. We credit your great test scores (which are one of the highest averages attained) to many hours of intense studies, as well as to a shared passion for living life with adherence to the core Torah values.

In your ascent toward qualification for Rabbinical status, please accept our congratulatory wishes as a form of rallying support for your continued success.

In admiration,

Joel Labin

Educational Study Program for the incarcerated, A Project of Dror

To whom it may concern,

This is to certify that Joseph Shereshevsky, inmate #35857-054, has been enrolled in our Judaic study program, known as Kollel M'Haran M'Rottemberg. The literature that is part of our curriculum serves to inspire its learner toward a more ethical and just life. This kind of constant imbibing of important lessons in ethics, and a better path for life, ensure a more purpose driven life after prison, and their ability toward self-improvement for their remaining time there. Joseph has joined our classes with consistency. He has completed numerous courses including the Laws of Shabbos, the Laws of prayer, Laws of Kosher food, Laws of Sanhedrin, Business ethics and more. Upon completion of each course, Joseph was presented with a certificate commending him for his achievements. It has come to our attention that many of the certificates got lost while Joseph was transferred between facilities. I thus humbly ask of you to accept this letter as my word that Joseph has been a conscientious learner in our program. Thank you in advance for your understanding.

Sincerely,

Joel Labin

To Whom It May Concern;

Please be advised that Joseph Shereshevsky, Register #3587-054, has applied for enrollment in our Rabbinical Ordination program. Our program requires the comprehensive study of all sections of Jewish Law as well as the study of its Talmudic background. We have examined the coursework and tests that Mr. Shereshevsky completed previously through a different school and will award him partial credit for these studies.

Mr. Shereshevsky will be required to complete independent study and then complete written tests and assignments in order to receive credit. Mr. Shereshevsky has also informed us that there are other inmates interested in joining our program and as such, we are amenable to his conducting classes and serving as liaison for the other inmates.

I commend you for assisting the inmates under your supervision in making productive use of their time.

Respectfully,

Rabbi Yechiel Becher
Dean
